

Nous somme la petite mort

**Here
In my arms
I watch you breathe
I feel your heart**

**Sweet
Afterglow
Anywhere
The river flows**

**Into the wonder
Your going under**

**Nous sommes la petite mort
Nous sommes la petite mort**

**Here
In my arms
I watch you breathe
I feel your heart**

**Learn
To forget
Make it here
I'll do the rest**

**Into the wonder
Your going under**

**Nous sommes la petite mort
Nous sommes la petite mort**
